## You Make It All Possible!

Your generous gifts made all the difference for those who received benevolent care in 2016. The funds raised through the Golf Challenge covered one third of the costs of housing, food and medicine for 11 residents in personal care at Normandie Ridge and River Woods and for housing for 13 participants at our LIFE programs in Lebanon, Lancaster and Williamsport. Without this financial support, those residents and participants could not remain part of the Albright family. One of the recipients of benevolent care had this to say:

Can you imagine having to worry about a roof over your head or your next meal? I did. I faced hardship. But then, I received the blessing of benevolent care. I thank the Good Lord every day for that blessing. The staff takes care of me. I recently had to go to the

hospital and the staff saw that I got there OK, checked on me while I was there, and brought me home again. Not because it was their duty, but because they really care! Where would I be without them? From the bottom of my heart, thank you! "Mary"
