Swineford National Bank/FNB,NA Comes On Board as Golf Challenge Sponsor!

Albright is happy to share news of our latest sponsor: Swineford National Bank/Fulton Financial Corp. Swineford's commitment to community goes beyond providing quality banking and financial services. Swineford helps build vibrant communities through gifts of time and dollars and through programs, products, and services designed to foster affordable housing, drive economic development, and promote education and financial literacy in the neighborhoods served. Additionally, Swineford supports numerous local organizations through contributions and sponsorships, and their employees and friends participate in many volunteer efforts—these are just a few of the ways we're proud to be building stronger communities, together.

Swineford was recently awarded the Business of the Year from the Greater Susquehanna Valley Chamber of Commerce, recognizing their impact in the Greater Susquehanna Valley. We congratulate them for this recognition.

Thank you for joining us in carrying out our benevolent mission!
