Dear Friends,

This is my favorite issue of Lives that Shine! It gives me an opportunity to celebrate loyal and dedicated employees on each of our campuses. On page 8, you can read about the Best of the Best award recipients for 2017 and the winner of the Seneca S. Foote Servant Leadership Award, named in honor of my predecessor, Rev. Seneca Foote. Great employees are a key in our mission to serve seniors. They are models of personal, progressive and compassionate care. Congratulations to all who were nominated!

This issue includes a number of great stories about kindness and generosity. Our heroes are caregivers, chefs, golfers and so much more. I expect you will be inspired by the many ways in which each of them is making a difference at RiverWoods, Normandie Ridge, Albright LIFE and Warrior Run Manor.

Thank you for making our communities great places to live and work!

Sincerely,

Shaun T. Smith
President and CEO

The care you want for your loved one when you can’t always be with them

Albright LIFE Centers in Williamsport, Lancaster and Lebanon provide seniors with comprehensive health support so they can live happily and safely at home.

2017 Golf Challenge Raises $128,088 – Our Best Year Ever!!

We are delighted to report that for the 9th consecutive year, we surpassed the previous year total raised through the Golf Challenge! When all 19 years’ totals are added together, the cumulative total is more than $1.5 million—WOW!

We are grateful to our generous sponsors and donors—not without you we could not continue to meet the needs of our residents and participants who depend on this generosity to subsidize their housing, food, medicine, and other basic expenses.

Our heartfelt thanks go to the 37 fundraiser golfers, 41 business and organizational sponsors and 20 gift-in-kind donors who made this a hugely successful event! We are also thankful for every donor who gave to a fundraiser golfer—all 640 of you!

Next year will be the 20th Anniversary of the Golf Challenge—and we are already making plans for some special additions to the day—June 4 at the Bucknell Golf Club. You can help by connecting us with potential sponsors—businesses and organizations that have the same generous heart you have! Consider becoming a fundraiser golfer for 2018—we give you everything you need to be successful. For more information on any of these ways to help, contact Sue at Sue.Jamison@AlbrightCare.org or (570) 522-3878.

Ronald Thayer joins Albright Care Services

Ron joined the Albright staff as Director of Fund Development in April 2017. Most recently the Director of Corporate Support for WITF in Harrisburg, Ron brings a wealth of knowledge and experience to the development team. Ron’s primary responsibility is to increase awareness about the benevolent mission of Normandie Ridge. His work will further corporate and foundation partnerships within the greater York community in order to raise funds to support priorities at Normandie Ridge including the benevolent fund and capital projects. We welcome Ron to the team!
Albright LIFE Expands to Serve Union County and Watsontown

Albright is excited to announce that the Albright Life Lycoming Clinton program will now serve seniors from Union County as well as those who live in Watsontown.

Albright LIFE creates the highest quality of life for those who are living independently in their homes and are 55 years or older. Our comprehensive program includes a wide variety of valuable services provided by passionate experts who understand what true caregiving means, including charity care for those in financial distress. LIFE is comprised of dedicated professionals, caregivers and medical experts who strive to provide meaningful ways for seniors to engage in group or independent recreation and manage every aspect of day-to-day life.

If you or someone you know in our expanded service area could benefit from the LIFE program, please contact Valerie Jo Roberts at (570) 322-5433 for additional information or to set up an appointment. We are ready to welcome you!

Albright Welcomes New Board Members

Jeffrey Crossland serves as Assistant District Attorney for Union County in addition to his private practice, which includes financial planning and investment advising. He enjoys running and playing golf, and is a member of the Bucknell Golf Club long range planning committee. He is a member of First Evangelical Lutheran Church, Mifflinburg. He is also a Southern Region Advisory Board member with the First Community Foundation Partnership.

Dr. Nancy Story Somers is a retired family physician from private practice specializing in geriatrics. She enjoys gardening, traveling and spending time with her grandchildren. She is a former trustee at First United Methodist Church, Williamsport, and continues to be small group leader and Bible study teacher at the church. She also served as a director on the Williamsport Area School Board.

Joanne Semanchick is a retired Administrative Assistant for the Arlington Public School System in Virginia. She is a life member of the Arlington Chapter of The Compassionate Friends, serving as chair from 2001-2004, and also taught Sunday School for 28 years. One of her favorite volunteer positions was with the Random Canyon Riding Program, a non-profit organization providing therapeutic horseback riding for those with special needs. She continues her volunteer work at RiverWoods, where she became a resident in 2004.

Brian Wolfe is Associate Vice President for Physician and Clinical Practices at Evangelical Community Hospital, Lewisburg. He enjoys running, traveling and spending time with his family. He is a member of the American College of Healthcare Executives and St. Pius X Catholic Church, Selinsgrove.
LeadingAge PA is the trade association representing more than 360 not-for-profit providers of senior housing, healthcare and community services across the commonwealth. Founded in 1963, it is committed to advocacy on behalf of its members to ensure they are equipped to meet the future demands of the not-for-profit senior care providers.

The LeadingAge PA Distinguished Service Awards honor individuals and groups who are making a difference through their commitment and service. These exceptional people give their time, talents and abundant energy within and beyond their communities and demonstrate a deep commitment to serving seniors.

Gloria Maust named 2017 Caregiver of the Year in Direct Care

Gloria is an individual with exceptional dedication to her career. She has worked at RiverWoods for 46 years. Through the multitude of changes in health care regulations, capital projects and management alterations, she has been an unwavering employee. She works effortlessly to adapt to every change and has become an invaluable role model for numerous nursing assistant trainees. Gloria always goes the extra mile for residents and takes time to develop personal relationships with each one. This connection allows her to recognize a resident’s need often before they do, and enables her to give observant and thoughtful updates on their health and progress. Gloria’s patience and kindness is recognized by both staff and residents alike. Her positive attitude does not waver, even under stressful circumstances and on the most challenging days.

“For her dedication and love of her profession, and for her commitment to our residents, mission and values, I wholeheartedly believe that Gloria exemplifies the attributes of this esteemed award,” said Nea Brown, RiverWoods executive director.

Gloria has been the recipient of numerous accolades and compliments from residents, family members and staff over the years, both for the compassionate care that she gives and for her friendship, support and caring demeanor. In 2016, she received Albright’s Best of the Best award, honoring employees who have demonstrated outstanding achievement in the areas of attitude, dedication, innovation, motivation, skills, enthusiasm and contributions to the organization.
Bob Kuhn named 2017 Volunteer of the Year

Bob has been a dedicated volunteer for nearly all of his 94 years. He has lived at Normandie Ridge for the past 20 years and has participated in multiple volunteer efforts. He uses his wood working skills to create items such as toy cars, bird houses, nativity figures and crosses which are sold at various times throughout the year to raise funds for the Normandie Ridge Auxiliary. Bob also works closely with his church, Aldersgate United Methodist, in York. He is known to the preschoolers at the church as “Bob the Builder” when he comes to their classes and shows them things he has created.

“I was glad to find a place where I can continue doing what I love while using my work to support others,” Kuhn said. “I use my skills to repair things at Normandie Ridge—drawers, cabinets and furniture. I also make crafts and toys for Normandie Ridge’s Anniversary Celebration every October. There are usually three of us in the woodshop, and I come every day. I’m very busy from October through Christmas.”

Bob helped to establish the annual Grande Illumination event held in December at Normandie Ridge, when 1000 luminaries are placed on the walkways of the campus, sponsored by donors in honor or memory of loved ones. Each year he helps recruit, organize and direct the volunteers and makes sure there are adequate materials for the luminaries. Bob also participates in the annual Golf Challenge which raises funds to support residents who outlive their financial resources. He was the oldest golfer to participate in this year’s event, and was one of the top fund raisers. In the 12 years that he has participated in the event, he has raised an impressive cumulative total of $21,440!

“Bob has made an incredible difference in the lives of other residents at Normandie Ridge through his dedicated volunteerism,” Albright Care Services President and CEO, Shaun Smith, wrote in Kuhn’s nomination letter. “Bob is 94 and continues to serve fellow seniors by supporting annual fundraising events. His compassion, loyal commitment to serving residents in his community and inspiring others to support seniors makes him a perfect candidate for this award.”

Albright Care Services is proud to honor Gloria and Bob for receiving these awards, presented during the LeadingAge PA 2017 Annual Conference and Exposition.

“Be kind. Find something to be grateful for every day. And perhaps most importantly, when you hear music, get up and dance!”

These are words to live by, spoken by Sue Jamison and well received during the 2017 Annual Meeting where we celebrated the Best of the Best—employees who are recognized for their contributions to Albright.

“I was encouraged to release my ‘inner potential’ by the staff at Normandie Ridge.” – Tyler Merryman

Albright Care Services’ Best of the Best Award honors employees who have excelled in their particular areas of work within the organization. Recipients are employees who have demonstrated outstanding achievement in the areas of attitude, dedication, innovation, motivation, skills, enthusiasm and contributions to the organization. Additionally, Albright gives a single recipient the Seneca S. Foote Servant Leadership Award honoring employees who demonstrate compassion, moral authority and a collaborative work style on a daily basis. Staff members work hard to fulfill the Albright mission and we are in awe of the number of annual nominees. Choosing one for each category every year proves to be a difficult task.

“I’ve had several members of my family reside at RiverWoods—I like to think we treat every resident as family.” – Amy Geiswite

The 2017 Best of the Best recipients are: Amy Geiswite, Pharmacy Technician/Mediset Coordinator, Albright Care Services; Kathleen Donmoyer, Activities Coordinator, Albright LIFE Lancaster; Tyler Merryman, Sous Chef, Normandie Ridge; Todd Yarger, RiverWoods Maintenance; and Janet Scharl, RiverWoods LPN.

“My greatest joy is when someone I’m working with smiles.” – Kathleen Donmoyer

Award recipients are invited to attend the annual Board of Trustees meeting. Held this year at Normandie Ridge in May, recipients were introduced and recognized by their supervisors and received accolades from board members, corporate officers and colleagues.

“I’m honored to receive this award. But Janet, who takes care of my brother in the Nursing Care Center, really deserves it.” – Todd Yarger
When Todd Yarger learned he had won the RiverWoods award, his reply humbled everyone. He asked if he could give it to someone else, someone he felt was the epitome of service and a higher calling. Albright said yes. Then Albright chose to honor them both.

“I am proud to be part of the RiverWoods family.”
– Janet Scharl

The Seneca S. Foote Servant Leadership Award was first awarded in 2012. Named in honor of Albright Care Services’ president and CEO who served Albright from 2004 until 2011, our 2017 recipient is the 7th to date.
A servant leader at her core puts people first. Leading by example, showing compassion, listening, appreciating diversity of thought – these are the qualities of our 2017 servant leader, the Reverend Sue Jamison. Sue is the Annual Fund Director at Albright Care.

“It takes a team to tackle all that we are tasked with doing in order to meet the mission of ensuring that everyone who is part of the Albright family is taken care of, regardless of their ability to pay. I continue to do this work because I value that mission.”
– Sue Jamison

Congratulations to this year’s nominees and award recipients! Thank you for your service and dedication to making Albright’s sites wonderful places for residents and participants to thrive.

Slifer House Concert Series A Summer Hit!

With more than 600 total attendees, the five concerts held on Thursday evenings were a lot of fun. Three of the concerts were held outside on the Slifer grounds, while two had to move indoors to Marlow Hall in the RiverWoods Nursing Care Center due to inclement weather. The audience for each concert, comprised of both residents and community members, enjoyed tapping their toes, snapping their fingers, clapping, and even singing along to familiar songs.

Musicians came from as far away as Harrisburg to perform and a variety of music styles were presented. The tradition of offering free ice cream and toppings continued and, this year, bottled water with special labels bearing the names of each music group were also given out at no charge.

Many thanks to the sponsors who helped underwrite the costs of the concerts: Arnett Carbis Toothman, Hepco Construction, Mifflinburg Bank & Trust, Sodexo Senior Living and West Milton State Bank. In addition, volunteers from both banks and the Lewisburg Sunrise Rotary Club, as well as staff and community members, helped to serve the ice cream, pass out the water, and collect donations. Thank you for your ongoing support!

Stars Shine Bright at Albright!

A Albright Shining Stars program recognizes employees who go above and beyond their job requirements. Recognized quarterly, employees may be nominated by fellow employees, residents, participants, family members and visitors. Promotions at Albright Care Services

John McDonough was promoted to Senior Director of Operations at Albright. John oversees all service contracts for the organization including dining, rehabilitation, environmental services and technology services, ensuring that the work aligns with Albright’s mission. He also assists with the day-to-day operations of Albright. John graduated with a bachelor’s degree in communication from Muhlenberg College, Allentown, and earned a Master of Business Administration from Bloomsburg University. He also has a nursing home administrator’s license and has been assisting in recent months at the RiverWoods Nursing Care Center.

“\textit{It is exciting to work toward operational solutions that improve resident care and staff efficiency on a variety of levels},” says John. “\textit{With our growing service areas, Albright is strategically positioned to make a real difference in the lives of those we serve}.”

Pam Kennedy was promoted to oversee the operations of Albright LIFE. Pam’s title is Regional Director of Home and Community Based Services, and now includes the responsibilities of the three Albright LIFE sites. Pam graduated with an associate degree in nursing from St. Joseph’s Hospital School of Nursing, Lancaster, and studied at Millersville University. When asked about the joys of her work, Pam replied, “\textit{What I enjoy most is seeing the difference our team makes in the lives of our participants. Because of the LIFE programs, and the services and care we provide, our participants are able to remain living safely at home}.”

Please join us in congratulating John and Pam on their new positions!

Giving Back

“With its beautiful setting, RiverWoods allows me to continue enjoying nature.”
– Alice Marquart

Eight years after moving to Lewisburg to be close to her daughter and family, having retired from her job as an administrative assistant for 35 years, Alice Marquart moved to a cottage at RiverWoods. She had witnessed the benefits her mother experienced living in a similar continuing care retirement community. She loved watching her mother enjoy all of the opportunities to socialize with other residents, and was grateful for the ability to move through progressive levels of care when needed.

“I grew up on a working farm near Buffalo, New York,” Alice said. “My love of nature was instilled in me from a very young age by my mother and sister. We were often outdoors wandering in the woods and that began my love for nature. Mom was very knowledgeable about plants and animals and shared that knowledge. I taught my children to always love God’s world—its animals, plants and trees. With its beautiful setting, RiverWoods allows me to continue enjoying nature.”

Alice loves her apartment with its view of the scenic Susquehanna River. She enjoys feeding the birds and nurturing her small garden. She regularly tends the gardens around the Slifer House Museum and has been an active member of the Lewisburg Garden Club, serving as its treasurer for four years.

Soon after she moved to Lewisburg, Alice began a new adventure as a volunteer at T&D’s Cats of the World. A wild animal refuge located in nearby Penns Creek, T&D’s provides permanent homes for rescued animals. She started working as a docent every Saturday, greeting visitors and guiding their experience at the refuge.

She enjoyed her volunteer work so much she decided to help every Friday throughout the entire year, feeding animals and cleaning cages. “The biggest honor was being handed the keys, providing me with the privilege of feeding the animals,” Alice said. “I’ve had wonderful times there. I pinch myself thinking how lucky I am to be involved, surrounded by the animals.”

Alice also actively volunteers at Albright’s central office on the RiverWoods campus and at the First Presbyterian Church in Lewisburg. One of her favorite projects is Operation Christmas Child, organized by Samaritan’s Purse, which fills shoeboxes with school supplies, personal hygiene items and toys, distributing them to children all over the world. She began packing boxes in 1995, and now goes to a processing center in Baltimore every year to assist with the 12 million boxes that are donated. “It’s a special environment—a fellowship,” Alice said. “I do it to serve the Lord and get so much out of it myself. It’s a simple gift but the impact is profound—for the child, family and community.”

Alice Marquart is a shining example of being called to serve, and Albright is proud that she is part of our family.
Lewisburg/Milton Meals on Wheels Receives Local Support

Recently, two generous gifts were presented to the Meals On Wheels (MOW) program at RiverWoods which serves the Lewisburg/Milton region.

The Lewisburg Sunrise Rotary Club held its 4th Annual Flags for Heroes event on the grounds of Country Cupboard restaurant over the Memorial Day weekend. Proceeds from the event were donated to four non-profit community organizations, each receiving $1000: Donald Heiter Community Center; Girls on the Run; Lewisburg/Milton Meals on Wheels; and the Lewisburg YMCA.

Pictured, above left, are Rotarians and award recipients from all four recipient organizations.

The Service 1st Federal Credit Union supported MOW by providing a display in the Lewisburg branch that included information about the program and a donation basket. The total from the anonymous donation basket was $188. In addition, Service 1st made a donation for each staff member from RiverWoods who came in for a financial check-up—these gifts totaled $432.

Pictured, above right, are Karen Wood, chief experience officer, Service 1st; Cindy Walker, Lewisburg/Milton Meals coordinator; and Paulette Renner, assistant vice president, Lewisburg market, Service 1st presenting the check from the financial checkups.

We are so very grateful for the support this important community program receives!

To light a candle illuminates the darkness and invites others in by its brightness—let your light generously shine!

RiverWoods Luminary Lighting: Dec. 12, 13 and 14. A dessert reception for donors and volunteers will be held from 7 - 8:30 p.m. on December 14.

Normandie Ridge Luminary Lighting: Dec. 19, 21 and 24. The resident holiday party to which all donors are invited will be held from 6 - 8 p.m. on Dec. 19.

Please use the enclosed envelope on page 8 to make your donation!
Chaplain David Brinker completes Clinical Pastoral Education

The Rev. David Brinker first learned about RiverWoods when his parents, the Rev. Luke and Mrs. Theda Brinker, as well as his in-laws, the Rev. Dr. Robert and Mrs. Phyllis Close, became residents. After his father’s death, his mother moved to Normandie Ridge where she lives today.

David joined Normandie Ridge as the Chaplain in 2012, after having served in parish ministry since 1976. David recently completed a program of Clinical Pastoral Education (CPE) through the Spiritual Care Association. First developed in the 1930’s, CPE was modeled after the clinical training that medical students receive. David chose Normandie Ridge as his clinical setting, rather than the more traditional setting of a hospital, with the goal of learning the best practices of professional chaplaincy. In this way, he continued learning how to best serve the residents and staff of Normandie Ridge.

During his training, David received over 100 hours of instructional time, often participating in online study. This included two specific courses: ‘Values, Obligations and Rights: Health Care Ethics’ and ‘When It’s Time to Say Goodbye – Introduction to Spiritual Care at the End of Life’.

“I find being a chaplain very fulfilling as it provides the opportunity for me to use my years of experience and has helped me to grow in the specialized ministry of responding to the spiritual needs of residents at the various levels of care provided at Normandie Ridge,” says David. “This training has sharpened my skills by showing me practical ways to offer spiritual care to those from diverse backgrounds. I have particularly enjoyed learning how to share in the spiritual care of those who live in our Memory Care Residence and are challenged with differing stages of dementia.”

The tuition for this course was provided by The Sara K. Little Fund for Staff Education and Chaplaincy, established by Albright Care Services in 1997 through a generous gift from Sara Little, who was a long time resident of Normandie Ridge.

Like what we do? Help us do it for another 100 years!

A century is a long time to be in the business of serving others. Your generosity has helped widows, orphans, fathers, sisters, daughters and so many more. The recipients have changed over 100 years but the mission of Albright Care Services is constant.

You believe in what we do. Please help us do it for another hundred years! If you have this desire, we can help you find a way. Here are three easy examples:

• Beneficiary Gifts: Name Albright as a beneficiary of an insurance policy or a retirement account like an IRA or 401(k) at whatever percent you decide, whether that be 1%, 10%, or up to 100%.

• IRA Charitable Rollover: If you are at least 70 ½ years of age, you can make a gift to Albright directly from your IRA and it is taxed toward your total required annual distribution.

• CGA (Charitable Gift Annuity): You can receive guaranteed income for one or two lifetimes with an eventual gift to Albright.

If a future gift to Albright is something you want to do, we can help you with a simple plan. Contact us today!

Caregiving Deeply Rooted in History

Albright Care Services was founded over a century ago as the United Evangelical Home in 1916, and welcomed the first residents to the Lewisburg campus. Today, Albright operates two senior living communities with a full continuum of care—RiverWoods in Lewisburg and Normandie Ridge in York. LIFE (Living Independently for Elders) programs in three communities—Lancaster, Lebanon and Williamsport—provide health, social and spiritual day care for seniors. Albright also manages Warrior Run Manor in Watsontown, a housing complex for adults with disabilities or handicaps and seniors who are at least 62 years old.

Albright is a not-for-profit organization affiliated in faith with the Susquehanna Conference of The United Methodist Church, and strives to care for seniors in a way that exceeds their expectations and inspires them to age gracefully and with dignity. Albright’s mission is to create the highest quality of life by encouraging purposeful living through personalized, progressive and compassionate communities, deeply rooted in serving others.

Albright celebrates a long tradition of excellence in caring for seniors and looks forward to the next 100 years with a commitment to meet the continually changing needs of seniors.

Eunice Knowles was honored at Albright Care Services’ Annual Meeting in May as the First Cottage Resident at Normandie Ridge.
