**My Story by Pastor Doug Eberly**

My story is short and simple. In 2001, I was invited by Harold Geise, Albright Care Services board member and also a member of my congregation at Watsontown UMC, to join the Golf Challenge. I liked to golf – so that was the hook. The consultant who had been hired by Albright to teach this specific format was still there. We had pep rallies and wrist bands and lots of encouragement, but I was daunted by the task of raising money. It was something I didn't prefer to talk about. But I made the commitment and sent my 50 letters as requested and did OK my first year.

When I joined the Albright board in 2004, I felt very passionately about the mission of Albright and stayed with the Golf Challenge. I liked the idea of helping those who had no voice and had exhausted all their resources.

Over the years, I’ve developed a core group of supporters and increased the number of letters sent out from 50 to 75 and now I send 100! I write a personal note on every letter and share that I have already given my donation. I started out giving $200, raised it to $500 in 2010, and in 2015 raised my personal gift to $1,000. I want them to know I’m investing in this too. It is the only fund raising letter I do each year. Folks have been very generous in supporting Albright and me through all these years.

I started reluctantly but continue because of my passion and concern for those served by Albright as they seek to fulfill their mission of serving seniors.

Editor’s note: Since Doug’s first Golf Challenge in 2001, he has cumulatively raised $88,420. He has been the top fundraiser golfer in three of the past four years, including this year with a total of $8,080 raised. We congratulate him!

Dave and Natalie said yes to each other but no to traditional wedding gifts! Instead, this beautiful couple asked guests and friends to celebrate their April 2018 wedding by making donations to favorite charities of their own. Dave and Natalie Ensminger enjoyed the blending of their households but did not need any additional house or gift items. Natalie said, “When anyone asked us who our favorite charity was we said the Normandie Ridge Benevolent Fund. My mother is now in nursing and has lived here since 2006 and has finally run out of money and is going to be needing assistance from the benevolent fund.”

When Natalie’s husband, Roland Nichols, died in 2016, she also requested that instead of flowers, everyone donate to the Normandie Ridge Benevolent Fund. “It will always be a charity that is near and dear to my heart.” said Natalie.

Thank you for your kindness Dave and Natalie! We wish you every happiness in your life together!
