

We had such fun in past years not seeing you that we'd like to do it again!  
In honor of our Stay At Home Dinner for Lewisburg/Milton Meals on Wheels,  
please join us with your gift!

**\$3.85 is all it takes to help one senior in need.**

## Your generous donation gets you:

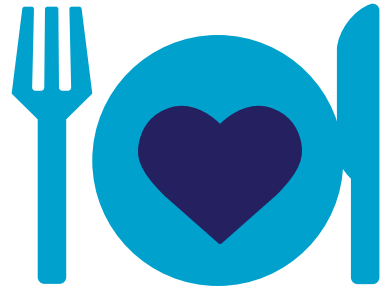

drinking a beverage  
of your choice...

and, a well-deserved night off  
from your busy week!

You will also receive our sincerest gratitude and the joy that comes from helping someone in need. Because although this is a light-hearted appeal, the need is very serious. The food and daily check-in for seniors is even more important today during the Covid-19 pandemic. Faced with prolonged isolation, the chill of winter, and lack of grocery essentials, hungry seniors need YOUR donation now more than ever.

**Click here to give. \$3.85 is all it takes to help one senior.**

Your gift addresses the real isolation and hunger felt by seniors in the Lewisburg and Milton areas. You provide a visit, a meal, and eventually, one day again soon, a hug or a gentle touch.

**Thank you for keeping seniors close to your heart...but six feet away from your mask!**
